Paying for Your Order

You may pay for your orders with major credit cards issued in the United States of America. Currently, we accept Visa®, MasterCard®, American Express® and Discover® Card.

Generally, credit and debit card are not charged until we either ship the item(s) to you or confirm store availability (at which time you will be charged only for the goods we have actually shipped along with any appropriate taxes or shipping charges). However, we may pre-authorize your order amount with your credit or debit card issuer at the time you place the order, which may have an effect on your available credit line. When paying for a preorder with a debit card you will be charged at the time you place your preorder. Please contact your credit card issuer for more information.

If you ordered a special delivery item, you will be charged once a delivery time is confirmed. For digitally delivered orders, your credit or debit card will be charged at the time that you initiate the download of the product.

Validating Your Order

After you place an order using our shopping cart, we will check the information you give us for validity, by verifying your method of payment or shipping address. We reserve the right to reject any order you place with us, and/or to limit quantities on any order, without giving any reason. If we reject your order, we will attempt to notify you using the e-mail address you have given us with the order.

Your credit or debit card will normally not be charged if we reject an order, but we will process a refund if the charge has been made against your card.

Order Acceptance/Confirmation

Your receipt of an electronic or other form of order confirmation does not signify our acceptance of your order, nor does it constitute confirmation of our offer to sell. The West Coast Sound Web site reserves the right at any time after receipt of your order to accept or decline your order for any reason.

Return Policy

All sales made through the West Coast Sound Web site are subject to West Coast Sound's return policy.

Order Limitations

We reserve the right to reject any order you place with us, and/or or to limit quantities on any order, without giving any reason. If we reject your order, we will generally attempt to notify you using the e-mail address you gave us when you placed the order.

Order Limitations/Limited Quantities

West Coast Sound may, at its own discretion, limit or cancel quantities purchased per person, per household or per order. West Coast Sound also reserves the right to reject any order you place with us. These restrictions may include orders placed by the same West Coast Sound Web site account, the same credit card, and orders that use the same billing and/or shipping address. In the event we make a change to an order, we will attempt to notify you by contacting the e-mail and/or billing address provided at the time the order was made. West Coast Sound reserves the right to limit or prohibit sales to dealers.

All orders placed on this site are subject to product availability and will be shipped according to West Coast Sound's shipping policies.

In the rare event that your order never arrives, notification of lost items must be received within 60 days from receipt of the shipping confirmation e-mail.
